CSATF/CSATTF's mission is to provide friendly, accurate and dependable service and training for the entertainment industry (producers, studios, unions and guilds) and the below-the-line workers as required by union contracts, the law and individual need.

We are committed to supporting the industry through maintaining the Roster, offering quality safety and skills training, facilitating the creation and maintenance of industry safety bulletins, validating documents and securely maintaining records.

## **SAFETY PASS**

### ≧ SAFETY PASS TURNS 10 ≦

Safety Pass has celebrated the 10-Year Anniversary of the training program. Safety Pass is committed to offering the highest quality safety training.

### **ONLINE TRAINING**

Safety Pass is pleased to offer its first online training course, *P2-Hazard Communication and the GHS*. Register through our website. Course completion is immediately reflected on the Online Roster. This is the first Safety Pass course that has been produced for online training. Look for other online courses to be added in the future. ▲

### **ALL IATSE LOCALS**

Be familiar with the removal provision in your Collective Bargaining Agreement. Remember to get your five signatory days within your classification before March 31 to avoid roster removal. ▲

### **GET INVOLVED!**

The Motion Picture and Television Fund has programs to help members of the industry. To find out ways you can participate, call 818.876.1915. ▲

### **MOVED?**

Send us your completed Personal Information Update form. ▲

### **ARE YOUR DOCUMENTS CURRENT?**

Remember to keep *all* of your documents current with CSATF. For example, your Form I-9 must be updated every three years. ▲

Check our website for additional information and current office hours
