Adobe InDesign Fundamentals FREE Classes Now Offered!

Contract Services is hosting Adobe InDesign
classes for individuals who meet certain eligibility requirements.
Training will be held at **2710 Winona Avenue, Burbank, CA 91504.**

Adobe InDesign Fundamentals

Part 1: Saturday, October 5, 2019 ● 8:00 a.m. – 3:30 p.m.
Part 2: Saturday, October 12, 2019 ● 8:00 a.m. – 3:30 p.m.
Part 3: Saturday, October 19, 2019 ● 8:00 a.m. – 3:30 p.m.

This 3-day beginner to intermediate class will explore Adobe InDesign by completing
a series of real-world publishing projects. The instructor will lead you step-by-step
through each project, teaching the correct workflow, how to master each tool and
show you useful shortcuts to speed up your production.

Basic computer knowledge is recommended,
but no prior experience with InDesign is required.

Classes do not need to be taken consecutively, though equivalent experience
is recommended if beginning with Part 2 or 3 without taking prior classes.

Classes will be held in Contract Services' computer labs –
you do not need to bring your own computer
or purchase the software to attend.

**To register, for eligibility requirements, or to be added to our contact list for future training,
please contact Contract Services at 818.847.0040 ext. 1260 or info.skillstraining@csatf.org**
